Bill Law – A large maple fell across the road on Dolly Road. Bill called the County and they both worked on it 50/50. Bill doesn't know if or how much the County will charge. Town crew did Shoulders on Holly Road, one truck came back today, town crew put up the replacement sign that were previously stolen.

We need a resolution from the Board to change a Yield Sign on Mitchell Road going to Bishop Road to a Stop sign.

The delivery date for the new Loader is October 15th. We need to advertise the sale of the old Loader for at least two weeks before our next meeting, A dumpster was delivered a week ago for the tires in back. It was filled and another dumpster was delivered. Bill is not going to put any more tires in it until after "Tire Dumpster Day". If there is room, he will fill with the remaining ten tires.

A half mile past the Mitchell Road, there a trailer partially on the Bishop Road. It has been there since Thursday, and the State Troopers have been there several times. The Troopers were given until 12:00 noon to have them towed off the road. No one will come and tow it. It was suggested that Bill talk with the owner to make a "deal" to go up with loader and skid it up the driveway some, getting it off the road.
